"Watched the Convergence breakdown last night. Perfect timing since it gave me several ideas for the final draft of a huge launch promo I'm finishing. Thanks for taking the time to go into all that detail, Clayton!" – Jon Stoltzfus

"Excellent breakdown of your Convergence promo, Clayton. Thanks very much for walking us through your methods!" – John Farrell

"What a great session! My hand is sore from all the notes I took and my cheeks are sore from all the laughter. Thanks for showing us the real ups and downs of being a copywriter and also 'pushing the envelope' to connect with the market and get something unique, relevant, and entertaining." – Melinda Minette

"I give today's session a 5 out of 5! I love the content in the normal sessions, but I think having these crits periodically is outstandingly valuable, and great content in its own right." – Lisa Dudley Christoffel

"I LOVED this last session! Seeing Clayton cut entire paragraphs and give pointers which, to him, I'm sure are probably second nature and obvious. Also, seeing Clayton change huge swaths of copy from a very good copywriter gives me a bit more confidence (I definitely won't feel bad when mine gets torn apart). I thoroughly enjoyed this session and hope we have more! Thanks again, Clayton! I've loved ALL of the sessions!" – Mikki Waid

After being part of *The Makepeace Mastermind Alliance*, you'll be equipped to take the skills and experience you need to create effective copy for your own clients. It's a stepping-stone to a six-figure copywriting career that will accelerate your copywriter success.
